Note – Jars used must be plain and labelled with the item's name and full date. They should be sealed by using either a wax disc and then cellophane, or a new twist top or press on plastic lid that will pop when opened. Vinegar preserves must have a lid that is a good fit, do not use a cellophane cover. Trade jars and lids and coffee jars are not acceptable. Baked goods should be shown on a plate with a doily and covered.

Recipe for Lemon Drizzle Cake (Class 67)

<u>Ingredients</u>	<u>Topping</u>
225g (8oz) unsalted butter, softened 225g (8oz) caster sugar 4 eggs Finely grated zest 1 lemon 225g (8oz) self-raising flour	Juice 1½ lemons 85g (3oz) granulated sugar

Method

1. Heat oven to 180C or fan 160C or gas mark 4.
2. Beat together 225g softened, unsalted butter and 225g caster sugar, until pale and creamy
3. Then add 4 eggs, one at a time, slowly mixing through.
4. Sift in 225g flour.
5. Then add the finely grated zest of 1 lemon and mix until well combined.
6. Line a loaf tin (8 x 21 cm) with greaseproof paper, then spoon in the mixture and level the top with a spoon.
7. Bake for approx. 40-50 mins until a thin skewer inserted into the centre of the cake comes out clean.
8. While the cake is cooling in its tin, mix together the juice of 1½ lemons and 85g of granulated sugar to make the drizzle.
9. Prick the warm cake all over with a skewer or fork, then pour over the drizzle – the juice will sink in, and the sugar will form a crisp topping.
10. Leave in the tin until completely cool, then remove to serve.

PHOTOGRAPHY

76. **"By the Water"** A photograph taken on the theme by the exhibitor.

Max exhibit size no larger than an A4 sheet.

The photography class will be judged by Visitors Vote. Voting will cease 10 mins before Prize-giving.
